# Furniture manufacturing with over 30 years experience

Alex Furniture was established in 1991 and shortly became the **market leader** in Hungary for school furniture manufacturing.

---

# Our history

---

Over the years, our product portfolio has expanded from **producing** school desks and chairs to offering nursery, horeca, office, changing room and street furniture, making Alex Furniture one of the **biggest school furniture manufacturers** in Hungary.

---

We support **furniture manufacturers, distributors, furniture fitting companies** through **complex services** from offering our product range to **designing** and **producing** customised furniture to suit each project's specifications and requirements.

We grant **long-term value** by providing **durable products** at a **competitive price**.

---

We have been **building long-term partnerships** with our partners in the Netherlands, Germany, Belgium and Eastern Europe, enabling them to compete in their markets with the benefits of our modern manufacturing capabilities.

---

# Services

---

Our **machinery** includes:

- › Fiber laser & plasma cutting machines
- › Brush deburring machine
- › CNC bending machines
- › Welding robots
- › Stud welding
- › Shot blasting
- › Powder coating line
